

## Doncaster Youth Club (DYC) Netball

### Club Policy

**The Doncaster Youth Club – Netball Committee has agreed that the following club policy applies to all members of our club (coaches, players, parents, supporters).**

- Teams will be graded fairly on ability, by a grading committee consisting of experienced club coaches plus at least one committee member. (Consideration may be given to available players and friendship groups as requested on the registration form at the beginning of each year or when a player joins the club. In cases where players want to play together players shall be graded on the ability of the lower division player. )
- Players will only be placed in a team if the registration form has been returned and club fees have been paid.
- It is desirable to keep a team together for the whole year, but it is to be accepted that it is not always possible to do this.
- All fees and Netball Registration must be paid prior to the start of the preseason grading/training.
- If a player resigns after grading and an refund is requested an administration Fee of \$20 is kept by the Club.
- All players are expected to attend all training sessions (other than open players), and matches unless they have notified their coach.
- All players are to respect the talent, potential and development of fellow players and competitors.
- Players, parents, coaches and other spectators are expected to represent DYC Netball with respect for others and to exhibit good sportsmanship. They must agree to abide by the rulings of umpires and other officials of the Doncaster and Districts Netball Association.
